“Some of my work for the legislature is a memorial for my husband, Stan. Proud of his service in the military, I have been honored to continue his sense of service through membership on the State House Military and Veterans Affairs Committee.”

“I’ve been working intensely at the grass-roots level in Alaska for three decades. As a homeowner on East 20th for the past 24 years, my commitment to my community and district runs deep. Fighting for our future in Juneau is an extension of my commitment to my neighbors.”
