

35 years of commitment to Alaska - Sharon Cissna is Fighting for our neighborhoods

Neighbors tell all!

"Sharon Cissna is hard working, she keeps us informed. She's honest. She doesn't take advantage of people for political opportunities. She has my vote." Rosa Foster

"As president of the Community Council, Sharon sought to bring the school and the community together for the benefit of all. She went to a great deal of effort to solve the API location problem. She doesn't try to tell people how to feel, rather she listens until she knows what we want, and then works toward a positive solution."

Peggy Hicklin

"During the past several years I have really grown to appreciate Sharon's priorities. Sharon Cissna has gone to extreme efforts to always be there for our community. It is obvious that our community is more important to Sharon than partisan politics."

Sam Dickey

"I was born and raised in this neighborhood. Now I'm a homeowner here with my wife Patty. I've known Sharon all my life and I've rarely known anyone who cares about our community as much as she does. Sharon genuinely likes people."
David Snyder & wife Patty Trott

Fighting for Alaskans

“Last November I met with Sharon Cissna to explain the terrible experience I was having trying to get affordable health insurance. I knew other people who were having the same problem.

Sharon not only listened to me -- She started an investigation and followup workgroup that is leading the fight for access to affordable health care in Alaska. Sharon Cissna listens. She listens and then she acts.”

Marjory Linder

“I have worked with Sharon Cissna on community projects since sometime in the early 1980’s. About 10 years ago Sharon and I worked together professionally with folks struggling to keep their families together. Sharon puts her time and energy behind what she believes in. She believes in community and she believes that we have to work together to solve problems. As a legislator, Sharon has kept true to those values.”
